MARKET DECLARATION:

I/We declare that by bringing stock to the market we agree and comply with the following conditions:

i) The vehicle transporting livestock into the market as above was cleansed and disinfected prior to loading these animals.
ii) No susceptible animals have moved onto the holding within the last six days. (Not applicable for Red Markets).
iii) That we will observe all procedures outlined in the Standard Operating Procedure within the market as displayed in the market office.
iv) We have examined the stock and have seen no signs of Foot & Mouth Disease or other notifiable disease.
v) All of the animals listed on the attached/associated paperwork have originated from establishments that have received regular animal health visits from a veterinarian for the purpose of the detection and signs of disease.
vi) All animals born after 14/04/1998 are double tagged in accordance with MAFF regulations.
vii) The above Farm Assurance and TB Test Details are correct.

I/We confirm that the Auctioneers can store and display our name and address where applicable on the sale display within a catalogue or on the market report as per the Conditions of Sale. ☐

I/We understand that any stock is sold under LAA Conditions of Sale and that any separate Conditions of Sale denoted by the Auctioneers always apply. ☐

FOOD CHAIN INFORMATION

I/We declare for all animals listed on this document that;

- The holding is not under movement restrictions for Bovine Tuberculosis (bTB)
- Cattle on the holding are not under movement restrictions for other animal disease or public health reasons (excluding 6 day standstill)
- Withdrawal periods have been observed for all veterinary medicines and other treatments administered to these animals while on this holding and previous holdings.
- To the best of your knowledge, the animals are not showing signs of any disease or condition that may affect the safety of the meat derived from them.
- No analysis of samples taken from animals on the holding or other samples have shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of the meat or to substances likely to result in residues in the meat.

If the animals do not fulfil all the above statements for Food Chain Information purposes, tick this box and provide additional information on a separate attached document Tick ☐
